REGISTRATION

All students are required to register for classes prior to every quarter of enrollment. All registration procedures are coordinated through the Office of Registrar Services. The following rules apply to all students, whether new or returning:

- All tuition and fees are due and payable at registration (see Tuition and Fees section in the current Course Catalog for more information about costs and payment options)
- Students will not be permitted to enter MI facilities until required tuition and fees have been paid
- Student registration will be closed at the close of business on Friday of the second week of classes

NEW STUDENTS

Permission to register for classes is granted to new students only if they have been fully and completely processed through the Admissions Office and have completed placement testing where applicable (see Academic Calendar section in the current Course Catalog for dates). Instructions and materials for registration will be made available to applicants at the times designated for new student registration. Students who register late may be required to obtain approval and/or pay a late registration fee (see Tuition and Fees section in the current Course Catalog for fee amount) before being permitted to register for classes.

CONTINUING STUDENTS

All current students planning to continue their studies in a subsequent quarter are required to register for classes beginning the ninth week of the current quarter. Continuing students registering after the end of the re-registration period may be assessed a late registration fee (see Tuition and Fees section in the current Course Catalog for fee amount). Failure to officially confirm attendance for the subsequent quarter will result in courses and lessons (where applicable) being dropped from those students’ schedules and may result in termination of those students’ enrollment.

ACADEMIC REGULATIONS, POLICIES, AND DEFINITIONS

It is mandatory that all students enrolled in a certificate or degree (AA or Bachelor) program read and understand the following academic requirements. (Applicability of requirements may vary for students enrolled in a Select program).

ACADEMIC CALENDAR

All degree and certificate programs operate on a year-round quarterly academic calendar, with
each quarter consisting of ten weeks of classes and one week of testing, followed by two weeks of break.

NOTE: Musicians Institute does not reschedule, make up or otherwise replace classes, lessons, or other events that fall on holidays, during school closures or on other occasions on which the school is not open. See Academic Calendar section in the current Course Catalog for information on such closures.

ACADEMIC HONESTY/INTEGRITY
All students have an obligation to behave honorably and respect the highest ethical standards in carrying out their academic assignments. Academic dishonesty is defined as any form of cheating, falsification, and/or plagiarism. In cases where academic dishonesty or falsification of academic information is proven to have occurred, students may receive a failing grade and are subject to additional disciplinary actions up to and including termination from the program.

ACADEMIC INTEGRITY PROCEDURE
The violation of Academic Integrity commonly takes on (but is not limited to) three forms: Falsification of Documents, Plagiarism, and Cheating

Falsification of Documents is defined as misrepresentation of facts and/or forgery upon a school or legal document. Documents proved to be falsified will become immediately null and void and any representations thereon will also be considered false and void.

Engagement in falsification of documents is deemed to be an act of academic dishonesty and may be grounds for disciplinary action. (See below)

Plagiarism is defined as copying or borrowing the ideas or work of another individual without acknowledgement and passing it off as your own. Plagiarism includes but is not limited to:

- The use of another individual as writer for term papers or homework assignments
- The purchase and submission of a chart, term paper or assignment and the passing off of such document as one’s own work
- Copying another’s work verbatim without the use of appropriate quotation and referencing notation or citation
- Paraphrasing portions of someone else’s work without giving him/her proper credit
• Presenting charts, songs, etc for an evaluation that were not prepared by the presenter

Engagement in Plagiarism is deemed to be an act of academic dishonesty and may be grounds for disciplinary action. (See below)

*Cheating* is defined as dishonest activity of any kind in regard to examinations, course assignments, or alteration of records. Cheating includes but is not limited to the following actions:

• Bringing unauthorized material into an examination,
• Communicating with other examinees or students during examinations (whether by speaking or other means),
• Reading the work of other examinees during the exam or attempting any of this type of conduct
• Knowingly gaining and/or utilizing a copy of answers to course examinations or assignments
• Bribery or coercion in the interest of achieving an unearned grade
• Being complicit in any act of cheating as a secondary party

Engagement in cheating is deemed to be an Act of Academic Dishonesty and may be grounds for disciplinary action. (See below)

Violations of MI’s Academic Integrity Policies may be treated as follows (It shall remain under the discretion of the Program Chair and/or the Dean of Compliance and/or other school official to take other courses of action):

ACADEMIC PROBATION
Satisfactory Academic Progress is reviewed quarterly and students showing a cumulative GPA of less than 2.0 are placed on Probationary Warning status. A cumulative GPA of less than 2.0 for two consecutive quarters results in the student being placed on Official Academic Probation status. A continued cumulative GPA of less than 2.0 for three consecutive quarters results in loss of Financial Aid funding and termination from the program.

APPEALS/REQUEST FOR ACADEMIC REVIEW
A student has the right to appeal any change in status or grades that may affect his or her grade point average or ability to graduate. All such requests must be made in writing (forms/instructions are available in the Registrar’s Office) and submitted to Office of Academic Affairs. Students will be contacted about the committee decision within one week of submission. Submission of such a review does not exempt students from any school regulations, processes or common procedure.

ATTENDANCE REQUIREMENTS
Regular attendance is required and recorded in all classes and lessons and is factored into final grades. Students who show poor classroom or private lesson attendance will be contacted and counseled by an adviser. Continued absence from a class may result in a failing grade for that class (see the course syllabus for specific information on attendance). Absence from school for more than three consecutive weeks without an approved Leave of Absence will result in termination from the program.

Both scan-in and classroom attendance will be used to determine school and facility use/attendance and will be factored into any change of status and withdrawals.

EXCUSED ABSENCES
Students are expected to attend every class for which they are registered, however, it is understood that an occasional absence may occur. In certain cases, the absence from class may be excused. All requests for excused absences must be submitted to the Registrar’s Office for review. The Registrar’s Office will decide whether to grant or deny requests based on the consistent treatment of all students. Examples of reasons for excused absences, which must be documented and are subject to review, include:

1. Jury or military duty
Excused absence requests must be submitted with accompanying documentation within five (5) school days after the student’s return to class. Requests submitted after this period and/or after Friday of Week 11 will be denied. The maximum number of excused absences per quarter is five (5) days. Requests for repeated absences from the same class may not be approved.

AUDITING
Attendance by students in courses for which they are not registered is not permitted.

TESTING OUT
Students may receive credit for certain courses through advanced placement or by challenging the requirements of a course for a fee (see Tuition and Fees section in the current Course Catalog for fee amount). Students wishing to test out of a course must pass an evaluation of their knowledge of course material with a minimum grade of A- (90%). Advanced placement tests are allowed only before or during the normal Add/Drop period at the beginning of the program for which the student has enrolled. In the case of sequential classes, prerequisite courses may not be skipped over via test-out once the original placement has been determined. Students are not allowed to test out of courses previously taken and failed. If a student meets the requirements for testing out of a course, a designation of “P” (Pass) is entered on the transcript and course credit is granted towards graduation requirements. Credits are counted toward units completed but are not factored into the GPA.

LATE TESTING
Late testing is permitted only for final exams missed due to emergencies or other unforeseen/unavoidable events, or for grades of “I” (Incomplete). Students requesting late testing must submit the proper form to the Registrar’s Office in advance whenever possible and pay the late testing fee, if applicable (see Tuition and Fees section in the current Course Catalog for fee amount).

COURSE REPETITION
A student receiving an overall course grade below C- (70) will be required to take the course again; full tuition will be charged, and normal grading standards will apply. A student who has passed a course and earned credit may not re-take the same course for additional credit unless the catalog course description states that the course “may be repeated for credit.” A student may re-take a course for a higher grade without receiving additional credit; full tuition will be
charged, only the highest grade will be factored into the GPA, and repeated units will be counted toward the total number of units attempted in the program.

SCHEDULING POLICY
MI reserves the right to create student schedules based on class/teacher/space availability. MI does not guarantee any student a specific schedule. Students, during their tenure at MI, may be moved from one section/class/room to another based on the needs and facilities of the school and greater student body.

FINAL EXAM WEEK
Week 11 of each quarter is designated as Exam Week (as such, students should not schedule vacations or trips home before they are aware of their Week 11 test schedule).

INCOMPLETE (I)
A grade of Incomplete (“I”) will be approved only if the student is making satisfactory progress in the course but cannot complete the final project or examination due to unforeseen, justifiable, and documented reasons including but not limited to: a medical emergency; jury or military duty; or bereavement. All incomplete course work must be made up before the end of the first week of the following quarter unless an extension is granted due to verifiable injury or illness or other valid circumstance. When course work is completed the satisfaction of all established requirements of the course, a grade will be issued to replace the “I” on the student’s transcript. SATISFACTORY ACADEMIC PROGRESS (SAP)
Federal regulations require all institutions that participate in Title IV aid programs to define and monitor satisfactory academic progress (SAP) for all financial aid recipients. The standards must meet all federal requirements and be equal to or more stringent than the SAP standards for non-financial aid recipients. Students are required to meet both qualitative and quantitative academic standards while attending Musicians Institute. This policy insures that students are progressing through their programs of study and identifies students who may be at risk of failing. Satisfactory academic progress will be reviewed on a quarterly basis.
SAP DEFINED
Satisfactory Academic Progress (SAP) is calculated programatically for all students attending approved programs at MI. SAP calculations for students in the Associate or Bachelor’s degree programs will be cumulative regardless of the performance in the program. SAP calculations for students in a non-matriculating certificate program will be calculated separately for each individual program. Students with a cumulative GPA (Grade Point Average) less than 2.0 in their current program of study and/or students that have completed less than 66.66% of their cumulative attempted units in their current program of study have not met the minimum requirements for Satisfactory Academic Progress (SAP) for that program.

SAP WARNING STATUS
Students that have not met SAP for one quarter will be sent an SAP warning letter. Students in an SAP warning status are encouraged to meet with a Student Affairs counselor to request free tutoring services offered on campus.

SAP PROBATION STATUS
Students that fail to meet SAP for two consecutive quarters will be notified of SAP Probation status. Financial aid will be suspended until the SAP probationary status is appealed and the appeal is approved. Students appealing the SAP probation decision must complete an SAP appeal form and meet with an Academic Advisor to complete an academic plan. The completed SAP appeal form, and academic plan must be returned to the Financial Aid office for review. Accepted appeals will result in a reinstatement of the student’s financial aid eligibility. Students that are not receiving financial aid will be contacted by the Registrar Services office to complete both an appeal forms and academic plan.

SAP WITHDRAWAL
Students in SAP Appeal that fail to follow their academic plan will lose their eligibility for student financial assistance and be dismissed from attendance.

When you scan your ID badge upon entering or exiting an MI building, you will be notified if you have any holds/reminders. Please respond to all holds/reminders IMMEDIATELY! Failure to respond to a hold/reminder in a timely manner may negatively affect class attendance.

**STUDENT DISCIPLINE PROCEDURES**

The procedures outlined in this section, based on common rules of fairness and due process, represent the steps employed to reach a resolution in cases of alleged misconduct. Questions concerning these procedures may be addressed to the Office of Student Affairs.

**A. REFERRAL OF COMPLAINTS**

Complaints involving alleged misconduct by students will be referred to the Office of Student Affairs will be made within one month following discovery of the alleged misconduct, unless an exception is granted by the Office of Student Affairs.

The Office of Student Affairs will refer the report to a Musicians Institute Designee (School Designee) or may provide information about other campus or community resources which may be of assistance in resolving the matter outside the Musicians Institute Student Conduct Code.

**B. LETTER OF ADMONITION**

A Musicians Institute Designee may provide notice to a student that his or her alleged
behavior may have violated. Musicians Institute policy or regulations and that, if repeated, such behavior may be subject to the disciplinary process.

C. INVESTIGATION AND NOTICE TO STUDENT

Upon receiving the complaint of the alleged violation(s), the Musicians Institute Designee (School Designee), may consider information acquired from a complainant and may augment that information through further investigation in order to determine if there is a reasonable suspicion to believe that a violation may have occurred. If the School Designee determines that there is a reasonable suspicion to believe that a violation may have occurred, the School Designee will give notice to the student of the following:

1 the nature of the conduct in question, including a brief statement of the factual basis of the charges; the time, date, and place it is alleged to have occurred; and Musicians Institute rules and/or regulations allegedly violated;

2 the nature of the student conduct procedures (to be accomplished by providing the student access to the Musicians Institute Student Conduct Code);

3 that the student has seven days from the date notice was given to contact the School Designee for the purpose of scheduling an initial meeting. Meetings are to be scheduled within ten days of the student contacting the School Designee. This schedule may be amended as a result of school breaks, closures and holidays;

4 that if the student does not contact the School Designee within the seven-day period or fails to keep any scheduled appointment, the student will be placed on Hold and the student will be notified that this action has been taken. The placement of a Hold may result in suspension of access to school functions or facilities, prevention of the student from registering and from obtaining transcripts, verifications, certificates or degrees from Musicians Institute. The Hold will be removed only when the student either attends a scheduled meeting with the School Designee, or requests in writing that the case be referred to the Student Conduct Committee for a hearing; and

5 that no degree may be conferred on a student until any pending disciplinary charges against a student are fully resolved.

In addition, the School Designee may direct the student to act or refrain from acting in a manner specified by the School Designee. These directions may include directing the student not to intentionally contact, telephone, or otherwise disturb the peace of
others specifically named for a specified period of time. Violation of these directions is separate misconduct (Failure to Comply).

D. MEETING(S) WITH THE SCHOOL DESIGNEE ASSIGNED TO THE CASE

At the initial meeting with the student, the School Designee assigned to the case will:

1. ensure that the student has been provided information on how to access the Musicians Institute Student Conduct Code;
2. discuss confidentiality; inform the student that the content of this and all subsequent communication with the School Designee regarding information not relevant to the case will, insofar as allowed by law, be treated
   i. confidentially, unless such confidentiality is waived by the student; and that information relevant to the case may be divulged to those who have a legitimate educational interest, including but not limited to the Student Conduct Committee;
3. provide the student with an opportunity to inspect all documents relevant to the case which are in the possession of the school at the time of the meeting, at the student’s request;
4. describe to the student as completely as possible the nature of the conduct in question, and the Musicians Institute rules and/or regulation(s) allegedly violated, hear the student’s defense to such charges, and counsel the student as appropriate; and

Although meeting with the School Designee provides the student with an opportunity to resolve the case without a hearing before the Student Conduct Committee, the student may opt to forgo a meeting with the School Designee by requesting, in writing, that the case be forwarded to the Student Conduct Committee for a hearing as defined below
E. **DISPOSITION BY THE SCHOOL DESIGNEE**

After conducting any further necessary investigation, the School Designee assigned to the case may take one of several actions listed below. Regardless of the action taken, the School Designee will confirm his or her disposition of the case in a notice to the student within seven days of the action.

Additionally, the results of any disciplinary action or Agreement of Resolution by Musicians Institute regarding an allegation of sexual harassment, sexual assault, sexual misconduct, or other sex offenses will be disclosed to the alleged victim by the School Designee. The scope of information to be provided under this provision will be:

- the school’s final determination with respect to the alleged sexual harassment, sexual assault, sexual misconduct or sex offense; and
- any sanction that is imposed against the alleged offender with respect to the alleged sexual assault, sexual misconduct or sex offense.

1. **Imposing Sanctions**

   If the student does admit responsibility, and if the School Designee concludes that there is sufficient information to sustain a finding of responsibility, the School Designee may impose or defer one or more of the sanctions listed herein.

2. **Referral to the Student Conduct Committee**

   If the student does not admit responsibility, and if the School Designee concludes that an Agreement of Resolution (see below) is not appropriate, and that there is sufficient information to sustain a finding that it is more likely than not that the student has violated the Musicians Institute Student Conduct Code, the School Designee will refer the case to the Student Conduct Committee for a hearing.

   At any time until the Student Conduct Committee recorder makes report of the hearing decision, the student may make an admission of responsibility to the School Designee assigned to the case. The School Designee may then impose or defer one or more of the sanctions listed herein. This disposition is binding and terminates all Student Conduct Committee proceedings.
3. **Insufficient Evidence**

   If the School Designee concludes that there is insufficient information to find the student responsible, the case will not be referred to the Student Conduct Committee for a hearing.

4. **Agreement of Resolution**

   When the School Designee and the student agree that the above dispositions are not appropriate, an Agreement of Resolution may be used to conclude the matter. This Resolution, while not considered to be a finding of responsibility, is binding. If the student fails to abide by the terms of the Agreement of Resolution, that failure may be regarded as actionable misconduct and may subject the student to disciplinary action by the school.

   An Agreement of Resolution may include— but is not limited to— such terms as:

   - agreement by the student to refrain from specific behaviors, and/or to refrain from contacting others involved in the case;
   - agreement by the student to participate in specified educational programs, counseling and/or reconciliation processes such as mediation;

   The Agreement of Resolution will be retained in the case file in the Office of Registrar Records for seven years from the date of the Agreement. During that time, should the school have a reasonable basis to believe that the student has engaged in misconduct related in nature to the conduct which occasioned the agreement, both cases may be the subject of Musicians Institute disciplinary action.

   When a student admits responsibility or is found in violation of Musicians Institute policies or regulations, the School Designee may impose one or more of the sanctions listed in this Section; any sanction may be effective retroactively.

context and seriousness of the violation, and may include required enrollment in and completion of educational programs, classes, activities or workshops, which in the judgment of the School Designee will be beneficial to the student.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)
The Family Educational Rights and Privacy Act or FERPA is a federal privacy law that gives post-secondary students certain protections with regard to their academic records. Academic records include but are not limited to attendance, financial aid, school account information, tax information, report cards, transcripts, disciplinary records, contact and family information, class schedules, charges, payments, and account balances. In general, schools may disclose “directory information” to qualified individuals and/or organizations without prior consent of the student. “Directory information” is defined as a student’s name, photograph, date and place of birth, major field of study, grade level, and participation in officially recognized activities and sports, electronic mail address, degrees, honors and awards received, and dates of attendance. However, schools must tell students about directory information and allow them a reasonable amount of time to request that the school not give out their directory information. To opt out, students must complete the Directory Opt Out form and submit it to the Registrar’s Office no later than Friday, Week 2 of the quarter in which they are enrolled.
FERPA-protected records are accessible only by those individuals to whom the student grants permission. Students may grant permission to access FERPA-protected records to individuals such as a parent, aunt, uncle, sibling, grandparent, spouse/partner, etc., by indicating the individual(s) name(s) and relationship to student below. Under FERPA regulations, Musicians Institute is permitted to discuss information contained in and pertaining to academic records with eligible parents of dependent students without prior consent of the student.

**NOTIFICATION OF STUDENT RIGHTS UNDER FERPA FOR MUSICIANS INSTITUTE**
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records.

These rights include:

1. The right to inspect and review the student’s education records within 45 days of the day that Musicians Institute receives a request for access. A student should submit to the Registrar or Director of Registrar and Scheduling, a written request that identifies the record(s) the student wishes to inspect. The designated official will make arrangements for access and notify the student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. A student who wishes to ask Musicians Institute to amend a record should write the Registrar clearly identify the part of the record the student wants changed and specify why it should be changed. If Musicians Institute decides not to amend the record as requested, the student will be notified in writing of the decision as well as the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to request, in writing, Musicians Institute not disclose personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent. Musicians Institute discloses education records without a student’s prior written consent under the
Copyright infringement policy

Introduction
Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code).

These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

The Higher Education Opportunity Act of 2008 (HEOA) includes provisions that are designed to reduce the illegal uploading and downloading of copyrighted material through peer-to-peer (P2P) file sharing. These provisions include requirements that:

FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by Musicians Institute in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom Musicians Institute has contracted as its agent to provide a service instead of using Musicians Institute employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the school.

4 The right to file a complaint with the US Department of Education concerning alleged failures by Musicians Institute to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
US Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901
• institutions certify to the Secretary of Education that they have developed plans to “effectively combat” the unauthorized distribution of copyrighted material;
• institutions make an annual disclosure that informs students that the illegal distribution of copyrighted materials may subject them to criminal and civil penalties and describes the steps that institutions will take to detect and punish illegal distribution of copyrighted materials;
• institutions publicize alternatives to illegal file sharing

This document outlines Musician Institute’s plan to comply with these requirements.

PLANS TO “EFFECTIVELY COMBAT” THE UNAUTHORIZED DISTRIBUTION OF COPYRIGHTED MATERIAL

Musician Institute currently employs bandwidth-shaping technology to prioritize network traffic, and blocks students’ ability to access these sites from the student computer networks.

Musician Institute responds promptly to legitimate notices or letters of illegal copyright infringement based on the requirements of the Digital Millennium Copyright Act and directs both the Information Technology and Compliance department to investigate and respond.

SANCTIONS

Musician Institute will cooperate fully with any investigation by public authorities related to illegally downloaded copyrighted information. Students found guilty will be subject to the full extent of fines and penalties imposed, as well as facing automatic loss of Musician Institute network access, and possible suspension.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than $750 and not more than $30,000 per work infringed. For “willful” infringement, a court may award up to $150,000 per work infringed. A court can, in its discretion, also assess costs and attorney fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to $250,000 per offense. For more information, please see the website of the U.S. Copyright Office at www.copyright.gov, especially their FAQs at www.copyright.gov/help/faq5.
MAINTENANCE OF THIS PLAN

Musician Institute will review this plan each year to insure it is current and maintains the appropriate and necessary information to effectively combat illegal file sharing, as well as update the methods employed as new technological deterrents become available.

LIVE PERFORMANCE WORKSHOPS (LPW)

OVERVIEW
A minimum of ten LPW performance credits are required per quarter. In the event a student achieves more than ten performance credits in a quarter, the ten highest grades are averaged for the final grade.

The possibility of earning multiple LPW credits during a single LPW class meeting is possible One LPW credit per hour is allowed. For example, if a student plays the Modern Rock LPW at 3:20, 4:20, and 5:20, they would receive three LPW credits.

LPW classes are scheduled from week 1 through week 10. As week 11 is the final exam/testing week, there are no LPW classes during week 11. No LPW credits can be awarded during week 11.

LPW POLICY CHANGE EFFECTIVE SP2015: In accordance with the cessation of retesting beginning in SP2015, students will no longer be allowed to complete the necessary ten LPW credits for an LPW class during week one of the following quarter, beginning in SP2015. If the necessary LPW credits have not been completed for an LPW class by EOD Friday of week 10, the LPW class is considered failed and it must be re-taken. No credits from the failed LPW class will carry over into the following quarter.

SIGNUP PROCEDURE:
Student sign-ups for LPWs are found on the portal: MI Portal App for iOS/Android; mobile mi.edu for Desktop. Students are to log in with their username and password, then go to My LPW> SP2015 (or current quarter) LPW Sections. There they can browse through weeks, songs, and hours. Students can tap or click on the available slots to sign up (you can sign up one week ahead of time). Students can also show up to an LPW without signing up. If spots are
available, students can perform. Any of the instructors in the LPW class can sign up “walk-in” students.

Students may delete their LPW slot any time before the class begins, however, they must do so 12 hours before the class begins in order to avoid penalty. If an LPW sign-up is cancelled less than 12 hours before the class or if a student does not show up and does not cancel a performance for which he/she signed up, the performance credit is marked as a “No Show.” Each “No Show” is 2 points off the student’s final grade.

After completing an LPW, the student should always check the portal to make sure they’ve been properly credited. Sometimes a grade doesn’t get registered due to fingerprints on iPhones and the like. If this occurs and a legitimate LPW performance has not posted to the student’s record, do not hesitate to contact the instructor or lpwhelp@mi.edu.

If you have any other question or issues regarding LPW please contact: lpwhelp@mi.edu

GETTING THE MOST OUT OF MI
Musicians Institute is a veritable gold mine of opportunity and information, and as it is with most things in life, there is a direct relationship between what you put into it and what you get out of it. We regard you as a mature individual who has shown the desire to make it as a creative professional, and we are prepared to equip you with the tools you need to accomplish your goals and show you how to get there as quickly and efficiently as possible.
RESPECT FOR OTHERS

Professional success comes from a combination of skills and attitude. The best opportunities almost always come about through personal contacts and recommendations, and you are establishing those contacts NOW. Your fellow students, teachers and staff are your peer group—professional musicians with whom you are associating with every day and who will influence your career for years to come. Make sure that your conduct speaks well of you. Treat everyone as you would like to be treated.

RESPECT FOR YOURSELF

Maintain a healthy diet, exercise, and take time to enjoy a social life. Drug and alcohol abuse have ruined many promising careers and have no place in your development as a serious professional. Set reasonable goals for yourself. Organize and manage your time and materials. Don’t leave your instruments or valuables lying around the campus. Use and follow your own good common sense.

CAREER DEVELOPMENT OFFICE

The mission of the Career Development Office (CDO) is to keep students informed of the many professional opportunities available in the music industry, to help prepare them to take advantage of these opportunities, and to make the transition from student to working professional as smooth as possible.

MI CONNECTS

MI Connects, MI’s online talent and opportunity resource, is an exclusive service for current and former students. The Career Development Office receives frequent calls from talent scouts, managers, producers, booking agents, A&R representatives, potential music students, and studio managers who require the services of trained musicians and engineers. All members can post profiles including mp3 links, photos, videos, and résumés to the MI Connects online database. Members also gain access to online job boards, a search engine exclusive to MI Connects, and a community forum.

Gig opportunities are posted regularly on MI Connects job boards on the website and in school. Listings range from paying gigs, to original bands showcasing for record labels, to signed artists auditioning or replacing band members.
For audio engineers, opportunities range from intern and runner positions to first engineer jobs in both audio and post-production facilities. You may also receive referrals for teaching and other musical opportunities in the LA area and beyond. All students/alumni are highly encouraged to stay connected via MI Connects because the contacts and networking opportunities remain equally important in the years after graduation — many of MI’s success stories have come about because former students stayed in touch with each other and MI Information about registering for MI Connects is available at http://connects.mi.edu/.

*MI offers no guarantee that professional employment will result from registering with the MI Connects or from enrolling in, attending, or completing any MI program. MI reserves the right to alter the features of or to interrupt or cancel operation of MI Connects at any time without prior notice.

WORKSHOPS
A variety of career-related workshops and seminars are offered by CDO throughout the year. Students and alumni are encouraged to participate in as many events as possible in order to enhance their career development and maintain a strong network.

RÉSUMÉ, COVER LETTER, EPK AND MOCK INTERVIEW SERVICES
CDO staff is available to help students and alumni develop and polish their résumés, EPKs, interview skills, cover letters and promotional material.

AUDITION WORKSHOPS + MOCK AUDITIONS
Each quarter, audition workshops train students and alumni in the fundamental techniques necessary to gain a competitive edge. The Audition Workshop is Step 1 - what to expect at a profession audition. The Mock Audition is Step 2 - student/alumni prepare material for a mock audition and their performance is critiqued by the instructor.

Mission Statement

**Musicians Institute Library Mission Statement:**

The Musicians Institute Library strives to support the comprehensive, innovative, and unique educational and research goals of the Musicians Institute College of Contemporary Music through the providing of resources, information, and services essential to students, faculty, and staff. These services include reference, instruction, and the acquisition and provision of online and in-house materials both scholarly and supplemental in an effort to aid in student academic success.
Goals
Musicians Institute Library Goals:

Provide exceptional, timely, and accurate point of contact circulation and reference services while assisting the Musicians Institute students, faculty, and staff with scholarly and supplemental remote research via online databases and archives, interlibrary loan, and also through the physical locating, borrowing, requesting and returning of materials.

Facilitate a space offering the forefront of available technologies through which students of the Musicians Institute may achieve academic success offering an inviting space for research and the sharpening of skill within their discipline by means of a pristine modern environment that fosters creativity and is conducive to study.

Ensure preservation of the Musicians Institute intellectual assets or trade secrets providing students and faculty with recorded live performance workshops, concerts, and clinics online and maintaining a digital library containing expansive MI content with enduring value.

Offer individual and course instruction on effective research and information retrieval online, remotely, and in multiple formats. Work with faculty to provide and deliver effective, contemporary, course related materials. Develop and maintain the continuously evolving Musicians Institute Library collections with an eye toward the future.

Maintain a friendly, helpful point of contact for all Musicians Institute faculty, students, and staff while serving as a link between students, faculty, and various campus entities. Offer continuing education opportunities for those employed with the library in an effort to continue along the lines of the college’s pioneering, entrepreneurial, and industry relevant spirit.

Information and Learning Resources: In addition to the aforementioned the Musicians Institute Library continues to strive to keep up with the College’s new course offerings within the current certificate through master level programs. The library has spent the last year collaborating with faculty on collection development for the new master’s degree program beginning in 2019. We continue to collaborate with faculty on collection development for all programs on a quarterly basis.

Profile of Holdings and Resources: The MI Library’s collections are offered in a wide variety of formats. Currently there are over 1,000 scores, 1,500 books, over 1,100 DVDs, and 3,400 CDs; searchable on or off campus within the Online Patron Access Catalog (OPAC). When available books, recordings, and videos are purchased as e-books and within e-resources; searchable within the library’s Discovery System remotely or on campus. The library is working on expanding its print collection and in an effort to accommodate the expansion the library’s CDs have been packed up, labeled, and relocated to easily accessible shelves next door, which require approximately 5-10 minutes to retrieve; making them equally accessible to all those who utilize the library. Interlibrary loan is offered to library users if purchasing the requested materials is not an option.
The library’s e-resources are continually evaluated and expanded. MI students have access to the library’s online resources through the library’s website http://library.mi.edu. They include JSTOR Music, Alexander Street Music and Performing Arts, Oxford Grove Music Online, Oxford Grove Dictionary of American Music 2nd Ed, Overdrive (eBooks and MP3s on the subject of music), Pollstar Pro (Music Business related), and Non-Linear Educating (Music and technology related course tutorials). In addition to e-resources the library offers digitally streamed clinics and master classes dating from 1977 until present.

The Musicians Institute Library and the MI Marketing Department jointly oversee the digitally streamed Clinics and Master Classes dating from 1977-present. The goal of our partnership is to ensure the preservation of the content while providing access to students and faculty for educational purposes; maintaining a digital library containing expansive MI content with enduring value.

**Description of Information Literacy Expectations for Institutional and External Library Computing Facilities:** The Musicians Institute Library abides by the regularly updated Association of College and Research Libraries Framework for Information Literacy for Higher Education. Programs are in place to train students in the use of library and other information resources, and to develop information literacy skills. These programs include a research as inquiry library orientation at the beginning of the quarter for all new students, which also touches on off campus access and how to log into databases. The third week of classes invites all students to attend a student appreciation day, which includes library resources searching as strategic exploration. We also stop into individual classes to assist with research projects and relay the gravitas of authority construction, context, and the creator’s expertise and credibility.

**Curricula and Faculty Involvement in Collection Development:** Collaboration with faculty on a quarterly basis and throughout the quarter assists the library in building collections within each subject. Through quarterly faculty meetings, informal meetings, and email we’re able to facilitate feedback regarding the library’s collections, services, and facilities. Through orientations, collaborative events with MI Marketing, and information literacy outreach and instruction students are encouraged to directly contact the library with collection development requests and requests for specific materials.

**Descriptions of Computing Facilities and Usage:** The Musicians Institute Library offers 85 Macintosh Desktop Computer stations and 25 practice stations totaling 110 stations for study and practice. 40 of the desktop computers offer audio interfaces, so that students may plug in their instrument to practice. The 25 practice stations offer multi-effects units for students to plug into to practice, and 45 computers offer a quieter research and study space. Each computer offers and internet connection with web browsers opening to the MI Library’s website of http://library.mi.edu Software on the 85 Macintosh Computers in support of music, academics, and the school’s curriculum includes Sibelius music notation software, Reason and Logic digital audio workstations, Microsoft Suite, Photoshop for media and design, and much more.

During high volume use such as study for midterms and finals throughout the fall quarter the computers are 90% full. During low volume periods outside of the fall quarter and study for testing the computers are 40-60% full.
In addition to the library’s computers there are also several computer labs on campus available to students for use 24-7 outside of classes taking place in the labs.

Many of our students rely on their own devices for study and may print not only from library computers, but from their own devices 24-7 from anywhere through our popular WEPA print services. Students may connect their Dropbox, Gmail, and other folders to WEPA or download the WEPA app. They may pay for their prints via Paypal, Venmo, or credit card. This has been very helpful to music performance students who regularly print their charts.

**Plan for Library and Computer Development:** The Musicians Institute Library is in the process of building its print collection, which is currently between 7,000 and 8,000 cataloged materials. We will continue to catalog approximately 1500 materials per year, which would double our collection in five years. All of the library’s print materials are searchable in both the online catalog and discovery system. Through the library’s discovery system students may search all of the MI Library’s scores, books, CDs, DVDs and online databases at once simultaneously.

We’re also working on recataloging our clinics, master classes, and student live performance workshop video dating back to 1977 to stream sound and video on and off campus through LDAP authentication through our Avalon system. They’re currently cataloged within an on-campus system only.

Within the next five years we will continue to evaluate our online catalog to see if there is a catalog more suitable to our goals as we grow as an institution. We will also look into additional shelving and shelving locations as we continue to grow our physical collection. Should loss become an issue with a larger physical collection we will research the possibility of the RFID tagging of our collection.

**Location:** The Musicians Institute Library’s Campus Hollywood location is within the Main Building of Musicians Institute on the second floor surrounded by performance rooms. The library’s collections include scores, books, recordings, videos, and periodicals; as well as a comprehensive range of e-resources and digital resources. The MI Library serves the students, faculty, and staff of the Musicians Institute and the Guitar Craft Academy Nashville, as well as the broader community; visiting researchers and scholars.

**Governance and Administration:** The Director of Library Services, MSLIS, California Music Library Association Chair Elect provides direction and leadership for the library’s collections, services, personnel, and facilities. Reporting to the Dean of Industry within the Office of Academic Affairs, the Director engages the MI community through outreach efforts, strengthening the collection, classroom instruction, and research assistance. The Director of Library Services meets with the Director’s team once per week, each Monday, to better involve the library in the school’s overall strategic planning.

**Personnel:** The Director of Library Services is an administrative position reporting to the Dean of Industry / Chair of Audio Engineering within the Office of Academic Affairs. The Director of Library
Services is responsible for developing and maintaining music collections in a variety of formats. The position directly manages a student staff of approximately twenty in addition to one full-time staff member and two part-time staff members administering the library's facilities. The Director provides research assistance and classroom instruction.

The Director of Library Services position requires an American Library Association (ALA) accredited Master of Library Science degree and a music background. A second graduate degree in music is preferred. Extensive experience in library management is required of the Director.

The regular and student staff positions include assisting with the following responsibilities: staffing the circulation/reference desk, cataloging within a MARC record format, CSS based website and calendar updates, library subject guide creation, collection development, weeding, tracking budget funds, accounting, equipment maintenance, outreach, and scanning MI historic photos to Library of Congress standards and cataloging them within a Dublin Core record format. Student staff receive monthly, weekly, and daily training and educational sessions. Staff members attend and present at national and international music library association conferences such as MLA and IAML. Students and staff also attend American Library Association, Association of College and Research Libraries, database, catalog trainings and educational sessions. The library staff operate in a collaborative team environment in which all members contribute to projects, assist faculty, staff, and students, and ensure smooth operations.

Services: The Musicians Institute Library is open approximately 100 hours per week each quarter closing for major holidays and the weekend prior to each quarter. Students, faculty, and staff have access to research assistance, reference, and general questions through in-person consultations, email, telephone, text, and online chat. Course instruction on how to effectively utilize library resources and conduct research is taught by the Director of Library Services and is available to all administrators, faculty, staff, and students.

The library maintains print course reserves within regularly shelved materials in the library. The library works with faculty each quarter via email polling each faculty member to ensure our faculty course reserves are up to date. There is also a form within the library website that faculty may fill out to request additional course reserves throughout the quarter. We’re also looking into Avalon Media System in an effort to offer faculty robust course reserves, so that they may request a Clinic, Master Class, DVD, or CD be streamed with the ability to add a link to their LMS course.

The library offers access to other libraries and collections through OCLC’s Inter-library loan service. Faculty, staff, and students may make inter-library loan requests in person, chat, text, email, phone or via OCLC Discovery Platform, or online form outside of the library’s 100 hours of operation per week.

Facilities: The Musicians Institute Library offers students 85 Macintosh Computers equipped with audio interfaces, music notation software, and various digital audio workstations such as Logic and Reason. Also available to students are twenty-five Boss Jam stations for the purpose of practicing the study of music. Within the last decade the library space was dramatically reconfigured from thirteen student computers to one hundred and ten practice and workstations to ensure student success.
Guitars, basses, various equipment, headphones, adaptors, and cables are available for student check out to plug into the library’s audio interfaces or for practice throughout dozens of practice rooms surrounding the library.

Service and Emotional Support Animal Policy

Musicians Institute (MI) is committed to maintaining a creative campus environment that is safe, open, and accessible to all its community members, including students, employees, and visitors. As such, MI abides by the following policy regarding pet, service animals, and emotional support animals on campus.

For Employee Accommodations: mary.marsh@mi.edu
For Service Animal Accommodations: studentaffairs@mi.edu
For Support Animal & Campus Housing Accommodations: housing@mi.edu

For Students and Visitors on Campus

Permitted Animals: For students and visitors, only Service Animals are permitted in areas where dogs are permitted on campus. This means that a student or visitor may be accompanied by a Service Animal wherever the student or visitor would otherwise be permitted to be on campus. A Service Animal is any dog that has been individually trained to do work or perform tasks for the benefit of an individual with a disability. Examples of such work or tasks include, but are not limited to: guiding people who are blind, alerting people who are deaf, pulling a wheelchair, alerting and protecting a person who is having a seizure, reminding a person with mental illness to take prescribed medications, calming a person with Post Traumatic Stress Disorder (PTSD) during an anxiety attack, or performing other duties. Service animals in training are included in the definition of service animals for the purpose of this policy. If you intend to bring a Service Animal on campus, please send an email to studentaffairs@mi.edu notifying MI of your intent to do so.

Animals NOT Permitted: The following are not Service Animals and are not permitted on campus: (1) non-dog animals, except in some cases a miniature horse may qualify as a service animal; (2) animals that solely serve to deter crime; and (3) emotional support, comfort, and companion animals (i.e., pets).

Campus Housing

Permitted Animals: In campus housing, both Service Animals and Support Animals are permitted as an accommodation. For Support Animals, the Housing Office may ask if the handler has a disability and if the handler has a disability-related need for the Support Animal, in determining whether the animal will be allowed in housing areas. Students may also be asked to provide medical documentation of the disability and the disability-related need for the Support Animal. Support Animals are not allowed in any other buildings on MI property, nor are they allowed in other controlled spaces on campus, such as classrooms, computer labs, the library, and offices.

To request an accommodation for a Support Animal OR Service Animal to reside with a student in MI residential housing, please send an email to housing@mi.edu for application information.
For Employees on Campus

Permitted Animals: Employees and applicants for employment may have a Service Animal at work and may also have a Support Animal as a reasonable accommodation. Support Animals are animals that provide emotional support, comfort, or security for the benefit of a person with a disability, or that alleviate one or more identified symptoms or effects of a person's disability.

Permitted Inquiries: An employee requesting a reasonable accommodation related to a Service Animal or a Support Animal may be asked to provide documentation explaining why the employee requires an animal in the workplace. All inquiries must be handled through Human Resources, as they may involve confidential medical information. Please send an email to mary.marsh@mi.edu if you would like further information regarding a reasonable accommodation request.

Responsibilities for All Service and Support Animals
For the handler of a Service or Support Animal, MI expects the following:

1. Must attend to and be in full control of the Service or Support Animal at all times, including all care and supervision.

2. Keep the animal under control at all times, e.g., through use of a harness, leash, tether, or voice control, depending upon the task/work performed.

3. Must assure that the animal is free from offensive odors and does not display any behaviors or noises that are unduly disruptive to others.

4. Must remove or arrange for removal of any animal waste.

5. Must assure that the animal does not engage in behavior that endangers the health or safety of others.

6. Is financially responsible for the animal’s actions, including any bodily or property damage, or cleaning costs.

7. Must comply with all local government codes and regulations, including requirements for vaccinations and licensing.

8. Is encouraged, but not required, to have the animal wear some type of Service Animal or Support Animal identification.

For MI students, employees, and visitors, MI expects the following:

1. Must allow Service and Support Animals to accompany the handler, as permitted under this policy.
2. Must not touch (without the permission of the handler), feed, harass, or deliberately startle Service or Support Animals.

3. Must not attempt to separate the animal from the handler.

4. Should not discuss the handler’s disability.

**Removal of a Service Animal or Support Animal**

MI may request the removal of a Service Animal or Support Animal for the following reasons:

1. If the animal is out of control and the handler does not take effective action to control the animal.

2. If the animal is not house-trained.

3. If the animal poses a substantial and direct threat to the health and safety of others, and the threat cannot be eliminated by a reasonable accommodation.

4. If the animal would cause substantial physical damage to the property of others, which cannot be reduced or eliminated by a reasonable accommodation.

5. If the handler provides information that indicates that animal is not actually a Service Animal or a Support Animal, unless animals are otherwise allowed in the area.
