Recording Requirements

FOR ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

Music Business, Audio Engineering, MI Select Common Course, or Bachelor Degree applicants DO NOT need to submit these recordings

MI Programs are fast-paced, and certain fundamental musical skills are required before you can begin your program. If you meet entry requirements and are accepted, a one-on-one performance evaluation and placement test will be held during registration to determine whether you qualify for advanced placement in any area of course work. Students are evaluated based on the content of their submission. The sound quality of your recording is not a factor (Recordings will not be returned).

Questions? Contact Admissions 800.255.7529 or 323.462.1384

*** When submitting, please clearly label the recording with your first and last name, along with the corresponding letter for each part of the submission. Please send each letter requirement in a separate file. ex: John Smith, A; John Smith, B**

Guitar and Bass

Record A. and B. along with a clearly audible metronome, "click track", or drum machine.

- Play two scales and two arpeggios of your choice at any tempo with accurate execution and consistent time.
- Play 60 seconds of rhythm groove in any style and tempo.
- Submit two performances that best represent your style and abilities. The recordings may be solo or may include other musicians or play-along tracks. You may submit previously-recorded material that features your playing. Original material or covers.
- Speaking Voice:** Record your own speaking voice with a short narrative explaining why you wish to attend Musicians Institute.

Vocals

- Match Pitch:** Play a note on an instrument, let the note stop ringing, and then sing the same pitch. Repeat this with ten randomly-chosen notes. (Please DO NOT sing "on top of" the notes played, only after them).
- Song with Accompaniment:** Sing one song with accompaniment (instrument or backing track). The vocal melody must cover a range of at least one half-octave. You may submit previously recorded material, but using Autotune or an equivalent on your voice is not permitted. Original material or covers.
- Song without Accompaniment:** Sing one song without accompaniment ("a cappella"—this should not be the soloed vocal track from the song with accompaniment from Section B; it should be a different song). At least one of the two songs in categories B and C must be performed in English.
- Speaking Voice:** Record your own speaking voice with a short narrative in English explaining why you wish to attend Musicians Institute.

Keyboard Technology

Record A. and B. along with a clearly audible metronome, "click track", or drum machine.

- Play two scales and two arpeggios of your choice in three octaves using both hands, with accurate execution and consistent time.*
- Play 60 seconds of a rhythm groove in any style and tempo.
- Submit two performances that best represent your style and abilities. The recording may be solo or may include other musicians or play-along tracks. You may submit previously-recorded material that features your playing. Original material or covers.
- Speaking Voice:** Record your own speaking voice with a short narrative explaining why you wish to attend Musicians Institute.

** If you have not received formal keyboard training, please play an example of what you would play for personal enjoyment when sitting at a piano. No sequencing or programming please.*

Guitar Craft

- Submit two performances that best represent your style and abilities on either guitar or bass. The recording may be solo or may include other musicians or play-along tracks. You may submit previously-recorded material that features your playing.
- Speaking Voice:** Record your own speaking voice with a short narrative explaining why you wish to attend Musicians Institute.

Certificate in Songwriting

- Submit two performed pieces that best represent your style and abilities on your instrument or voice. At least 1 piece should be original. Please submit a chart for all original music (Handwritten charts are accepted, charts created using a notation software program are preferred). You may sing or play to backing tracks.
- Speaking Voice:** Record your own speaking voice with a short narrative explaining why you wish to attend Musicians Institute.

Drums

Record A. and B. with a clearly audible metronome or drum machine (your playing must be distinct from the accompaniment).

- Play two of the following rudiments at any tempo with consistent execution: Paradiddle, Double-Stroke Roll, Five-Stroke Roll, Six-Stroke Roll, Flam Taps, Four-Stroke Ruff.
- Play 60 seconds of a syncopated rhythm groove with fills in any style and any tempo (NOT a solo).
- Submit two performances that best represent your style and abilities. The recording may be solo or may include other musicians or play-along tracks. You may submit previously-recorded material that features your playing. Original material or covers.
- Speaking Voice:** Record your own speaking voice with a short narrative explaining why you wish to attend Musicians Institute.

Independent Artist, Artist/Producer/ Entrepreneur and DJ Performance & Production

- Submit two examples of your original material or arrangements (voice or instrumental, any style) representing your strengths and creative direction as an artist or producer.
- Speaking Voice:** Record your own speaking voice explaining the following:
 - Why you want to attend Musicians Institute.
 - What your role was in the recorded examples you have submitted, including what instruments you played (if applicable) and who wrote, produced and engineered each song.
