CAMPUS SERVICES, POLICIES, AND PROCEDURES

REGISTRATION

All students are required to register for classes prior to every quarter of enrollment. All registration procedures are coordinated through the Office of Registrar Services. The following rules apply to all students, whether new or returning:

All tuition and fees are due and payable at registration (see Tuition and Fees section in the current Course Catalog for more information about costs and payment options)

Students will not be permitted to enter MI facilities until required tuition and fees have been paid

Student registration will be closed at the close of business on Friday of the second week of classes

NEW STUDENTS

Permission to register for classes is granted to new students only if they have been fully and completely processed through the Admissions Office and have completed placement testing where applicable (see Academic Calendar section in the current Course Catalog for dates). Instructions and materials for registration will be made available to applicants at the times designated for new student registration.

Students who register late may be required to obtain approval and/or pay a late registration fee (see Tuition and Fees section in the current Course Catalog for fee amount) before being permitted to register for classes.

CONTINUING STUDENTS

All current students planning to continue their studies in a subsequent quarter are required to register for classes beginning the ninth week of the current quarter. Continuing students registering after the end of the re-registration period may be assessed a late registration fee (see Tuition and Fees section in the current Course Catalog for fee amount). Failure to officially confirm attendance for the subsequent quarter will result in courses and lessons (where applicable) being dropped from those students' schedules and may result in termination of those students' enrollment.

ACADEMIC REGULATIONS, POLICIES, AND DEFINITIONS

It is mandatory that all students enrolled in a certificate or degree (AA or Bachelor) program read and understand the following academic requirements. (Applicability of requirements may vary for students enrolled in a Select program).

ACADEMIC CALENDAR

All degree and certificate programs operate on a year-round quarterly academic calendar, with each quarter consisting of ten weeks of classes and one week of testing, followed by two weeks of break.

NOTE: Musicians Institute does not reschedule, make up or otherwise replace classes, lessons, or other events that fall on holidays, during school closures or on other occasions on which the school is not open. See Academic Calendar section in the current Course Catalog for information on such closures.

ACADEMIC HONESTY/INTEGRITY

All students have an obligation to behave honorably and respect the highest ethical standards in carrying out their academic assignments. Academic dishonesty is defined as any form of cheating,

falsification, and/or plagiarism. In cases where academic dishonesty or falsification of academic information is proven to have occurred, students may receive a failing grade and are subject to additional disciplinary actions up to and including termination from the program.

ACADEMIC INTEGRITY PROCEDURE

The violation of Academic Integrity commonly takes on (but is not limited to) three forms: Falsification of Documents, Plagiarism, and Cheating

Falsification of Documents is defined as misrepresentation of facts and/or forgery upon a school or legal document. Documents proved to be falsified will become immediately null and void and any representations thereon will also be considered false and void.

Engagement in falsification of documents is deemed to be an act of academic dishonesty and may be grounds for disciplinary action. (See below)

Plagiarism is defined as copying or borrowing the ideas or work of another individual without acknowledgement and passing it off as your own. Plagiarism includes but is not limited to:

- The use of another individual as writer for term papers or homework assignments
- The purchase and submission of a chart, term paper or assignment and the passing off of such document as one's own work
- Copying another's work verbatim without the use of appropriate quotation and referencing notation or citation
- Paraphrasing portions of someone else's work without giving him/her proper credit
- Presenting charts, songs, etc for an evaluation that were not prepared by the presenter

Engagement in Plagiarism is deemed to be an act of academic dishonesty and may be grounds for disciplinary action. (See below)

Cheating is defined as dishonest activity of any kind in regard to examinations, course assignments, or alteration of records. Cheating includes but is not limited to the following actions:

- Bringing unauthorized material into an examination,
- Communicating with other examinees or students during examinations (whether by speaking or other means),
- Reading the work of other examinees during the exam or attempting any of this type of conduct
- Knowingly gaining and/or utilizing a copy of answers to course examinations or assignments
- Bribery or coercion in the interest of achieving an unearned grade
- Being complicit in any act of cheating as a secondary party

Engagement in cheating is deemed to be an Act of Academic Dishonesty and may be grounds for disciplinary action. (See below)

Violations of MI's Academic Integrity Policies may be treated as follows (It shall remain under the discretion of Senior Academic Leadership and/or other school official to take other courses of action):

	PROCEDURE	CONSEQUENCE
FIRST OFFENSE	<p>Instructor or other staff member presents proof of the violation and reports on the incident. The report should include: the document(s) in question, and specific information as to how the student(s) violated policy.</p> <p>This report will become part of the student's academic file and will be recorded in their account.</p>	<p>The student earns a ZERO for the assignment, work, or test at issue.</p> <p>The student will be required to meet with a representative of Senior Academic Leadership before returning to classes in order to discuss the violation(s), the consequences thereof, and the consequences of any further violations. Any missed classes during this time will not be considered excusable.</p>
SECOND OFFENSE	<p>Instructor or other staff member presents proof of the violation and reports on the incident. The report should include: the document(s) in question, and specific information as to how the student(s) violated policy.</p> <p>This report will become part of the student's academic file and will be recorded in their account.</p>	<p>The student earns a ZERO for the assignment, work, or test at issue. Senior Academic Leadership will determine if a ZERO for the course will be issued. Program will also determine if a SUSPENSION will be issued.</p> <p>The student is required to meet with a member of Senior Academic Leadership in order to process the failing grade and/or suspension form school as warranted. If suspension is warranted, the student will be suspended from school for 3 days and disallowed from making up any assignments or tests missed.</p>
THIRD OFFENSE	<p>Instructor or other staff member presents proof of the violation and reports on the incident. The report should include: the document(s) in question, and specific information as to how the student(s) violated policy.</p> <p>This report will become part of the student's academic file and will be recorded in their account.</p>	<p>The student is required to meet with a member of Senior Academic Leadership and the Chief Academic Officer to discuss the process for Third Offense Review, which involves a Conduct Panel review.</p> <p>A Student Conduct Panel will convene to determine the sanction.</p> <p>A student may be expelled from school as a result of the Third Offense.</p>

ACADEMIC PROBATION

Satisfactory Academic Progress is reviewed quarterly and students showing a cumulative GPA of less than 2.0 are placed on Probationary Warning status. A cumulative GPA of less than 2.0 for two consecutive quarters results in the student being placed on Official Academic Probation status. A continued cumulative GPA of less than 2.0 for three consecutive quarters results in loss of Financial Aid funding and termination from the program.

APPEALS/REQUEST FOR ACADEMIC REVIEW

A student has the right to appeal any change in status or grades that may affect his or her grade point average or ability to graduate. All such requests must be made in writing (forms/instructions are available in the Registrar's Office) and submitted to Office of Academic Affairs. Students will be contacted about the committee decision within one week of submission. Submission of such a review does not exempt students from any school regulations, processes or common procedure.

ATTENDANCE REQUIREMENTS

Regular attendance is required and recorded in all classes and lessons and is factored into final grades. Students who show poor classroom or private lesson attendance will be contacted and counseled by an adviser. Continued absence from a class may result in a failing grade for that class (see the course syllabus for specific information on attendance). Absence from school for more than three consecutive weeks without an approved Leave of Absence will result in termination from the program.

Both scan-in and classroom attendance will be used to determine school and facility use/attendance and will be factored into any change of status and withdrawals.

EXCUSED ABSENCES

Students are expected to attend every class for which they are registered, however, it is understood that an occasional absence may occur. In certain cases, the absence from class may be excused. All requests for excused absences must be submitted to the Registrar's Office for review. The Registrar's Office will decide whether to grant or deny requests based on the consistent treatment of all students. Examples of reasons for excused absences, which must be documented and are subject to review, include:

- Jury or military duty
- Medical emergencies (illness, injury, etc.)
- Bereavement

Excused absence requests must be submitted with accompanying documentation within five (5) school days after the student's return to class. Requests submitted after this period and/or after Friday of Week 11 will be denied. The maximum number of excused absences per quarter is five (5) days. Requests for repeated absences from the same class may not be approved.

AUDITING

Attendance by students in courses for which they are not registered is not permitted.

TESTING OUT

Students may receive credit for certain courses through advanced placement or by challenging the requirements of a course for a fee (see Tuition and Fees section in the current Course Catalog for fee amount). Students wishing to test out of a course must pass an evaluation of their knowledge of course material with a minimum grade of A- (90%). Advanced placement tests are allowed only before or during the normal Add/Drop period at the beginning of the program for which the student has enrolled. In the case of sequential classes, prerequisite courses may not be skipped over via test-out once the original placement has been determined. Students are not allowed to test out of courses previously taken and failed. If a student meets the requirements for testing out of a course, a designation of "P" (Pass) is entered on the transcript and course credit is granted towards graduation requirements. Credits are counted toward units completed but are not factored into the GPA.

LATE TESTING

Late testing is permitted only for final exams missed due to emergencies or other unforeseen/unavoidable events, or for grades of "I" (Incomplete). Students requesting late testing must submit the proper form to the Registrar's Office in advance whenever possible and pay the late testing fee, if applicable (see Tuition and Fees section in the current Course Catalog for fee amount).

COURSE REPETITION

A student receiving an overall course grade below C- (70) will be required to take the course again; full tuition will be charged, and normal grading standards will apply. A student who has passed a course and earned credit may not re-take the same course for additional credit unless the catalog course description states that the course "may be repeated for credit." A student may re-take a course for a higher grade without receiving additional credit; full tuition will be charged, only the highest grade will be factored into the GPA, and repeated units will be counted toward the total number of units attempted in the program.

SCHEDULING POLICY

MI reserves the right to create student schedules based on class/teacher/space availability. MI does not guarantee any student a specific schedule. Students, during their tenure at MI, may be moved from one section/class/room to another based on the needs and facilities of the school and greater student body.

FINAL EXAM WEEK

Week 11 of each quarter is designated as Exam Week (as such, students should not schedule vacations or trips home before they are aware of their Week 11 test schedule).

INCOMPLETE (I)

A grade of Incomplete ("I") will be approved only if the student is making satisfactory progress in the course but cannot complete the final project or examination due to unforeseen, justifiable, and documented reasons including but not limited to: a medical emergency; jury or military duty; or bereavement. All incomplete course work must be made up before the end of the first week of the following quarter unless an extension is granted due to verifiable injury or illness or other valid circumstance. When course work is completed the satisfaction of all established requirements of the course, a grade will be issued to replace the "I" on the student's transcript. Failure to complete the course work within the maximum allotted time will result in a grade of "F" replacing the "Incomplete." An Incomplete on a prerequisite course must be resolved before the student can enroll in a class requiring that course as a prerequisite.

SATISFACTORY ACADEMIC PROGRESS (SAP)

Federal regulations require all institutions that participate in Title IV aid programs to define and monitor satisfactory academic progress (SAP) for all financial aid recipients. The standards must meet all federal requirements and be equal to or more stringent than the SAP standards for non-financial aid recipients. Students are required to meet both qualitative and quantitative academic standards while attending Musicians Institute. This policy insures that students are progressing through their programs of study and identifies students who may be at risk of failing. Satisfactory academic progress will be reviewed on a quarterly basis.

SAP DEFINED

Satisfactory Academic Progress (SAP) is calculated programmatically for all students attending approved

programs at MI. SAP calculations for students in the Associate or Bachelor's degree programs will be cumulative regardless of the performance program. SAP calculations for students in a non-matriculating certificate program will be calculated separately for each individual program. Students with a cumulative GPA (Grade Point Average) less than 2.0 in their current program of study and/or students that have completed less than 66.66% of their cumulative attempted units in their current program of study have not met the minimum requirements for Satisfactory Academic Progress (SAP) for that program.

SAP WARNING STATUS

Students that have not met SAP for one quarter will be sent an SAP warning letter. Students in an SAP warning status are encouraged to meet with a Student Affairs counselor to request free tutoring services offered on campus.

SAP PROBATION STATUS

Students that fail to meet SAP for two consecutive quarters will be notified of SAP Probation status. Financial aid will be suspended until the SAP probationary status is appealed and the appeal is approved. Students appealing the SAP probation decision must complete an SAP appeal form and meet with an Academic Advisor to complete an academic plan. The completed SAP appeal form, and academic plan must be returned to the Financial Aid office for review. Accepted appeals will result in a reinstatement of the student's financial aid eligibility. Students that are not receiving financial aid will be contacted by the Registrar Services office to complete both an appeal forms and academic plan.

SAP WITHDRAWAL

Students in SAP Appeal that fail to follow their academic plan will lose their eligibility for student financial assistance and be dismissed from attendance.

STUDENT MESSAGES (ALL PROGRAMS)

When you scan your ID badge upon entering or exiting an MI building, you will be notified if you have any holds/reminders. Please respond to all holds/reminders IMMEDIATELY! Failure to respond to a hold/reminder in a timely manner may negatively affect class attendance.

STUDENT RECORDS

Students' grades, documents, transcripts and permanent records are kept in the Registrar's Office in the Hollywood Passage (or at a secure off-site document storage facility). To request a copy of a document or transcript, or for student records inquiries, please contact the Registrar's Office at 323-860-1115 or studentrecords@mi.edu. Please allow up to 72 hours for copies of requested documents. Please see Tuition and Fees section in the current Course Catalog for fee amounts associated with student records requests.

TERMINATION

Other than for the academic reasons cited herein a student may be terminated from a program for reasons including but not limited to the following:

- Violation of student conduct policies
- Failure to pay tuition or fees
- Continuous absence from a program for three consecutive weeks without having been approved for a Leave of Absence

FACILITIES REGULATIONS

- All registered students are expected to comply with the following general regulations regarding use of the facilities and resources at Musicians Institute.
- All students are required to wear their school ID badge at all times in order to obtain admittance to the building and to protect the interests of all students and their use of school facilities (see Student Guest Policy for more information on guest access to school facilities). Students may request a temporary student ID for themselves at the McCadden entrance Security Desk. NOTE: Anyone who gives his/her student ID badge to another student or a non-student for the purpose of entry into the building will be subject to termination.
- Students are required to clock in and out using their Students ID badges when entering/exiting all MI facilities.
- Smoking and/or the use of lighters, matches or burning incense is not allowed in the MI Main Building, annexes, and facilities.

If a room is not properly equipped during the day, go to the main Security Desk and report the problem. At night, inform security at the main entrance security desk. Anyone caught removing, defacing or intentionally damaging school property will be expelled.
- Do not bring your instruments to seminars or concerts.
- If you find an item or item(s) that appear to have been lost or left behind by someone else, please take the item(s) to Lost and Found, located in the Library on the 2nd floor of the Main Building. If the Library is closed, you may then take the item(s) to the McCadden Security Desk.

STUDENT CONDUCT CODE

Musicians Institute is dedicated to providing a safe and orderly environment in which students may pursue their educational goals. This requires that students, teachers and staff foster an atmosphere of respect toward each other and their surroundings.

Students are expected to abide by ordinary rules of responsible, courteous behavior. Musicians Institute holds all students, teachers and staff responsible for carrying out and monitoring compliance with this commitment. If you become aware of any violation of an ethical or legal nature, or any unfair or improper treatment of a fellow student or staff member, please report the matter immediately to the Safety and Security Manager so that it may be investigated, and the appropriate action taken.

The following conduct is prohibited and will not be tolerated by Musicians Institute. This list is illustrative only; other types of conduct that threaten security, personal safety, staff or student welfare, or the school's operations also may be prohibited:

VIOLATIONS OF POLICY

Violation of any part of these policies may result in disciplinary action up to and including expulsion

1. INTIMIDATION, THREATS, DISORDERLY, LEWD OR VIOLENT ACTS

Include but are not limited to:

- Intimidating, threatening or hostile behavior

STUDENT DISCIPLINE PROCEDURES

The procedures outlined in this section, based on common rules of fairness and due process, represent the steps employed to reach a resolution in cases of alleged misconduct.

Questions concerning these procedures may be addressed to the Office of Student Affairs.

A. REFERRAL OF COMPLAINTS

Complaints involving alleged misconduct by students will be referred to the Office of Student Affairs will be made within one month following discovery of the alleged misconduct, unless an exception is granted by the Office of Student Affairs.

The Office of Student Affairs will refer the report to a Musicians Institute Designee (School Designee) or may provide information about other campus or community resources which may be of assistance in resolving the matter outside the Musicians Institute Student Conduct Code.

B. LETTER OF ADMONITION

A Musicians Institute Designee may provide notice to a student that his or her alleged behavior may have violated Musicians Institute policy or regulations and that, if repeated, such behavior may be subject to the disciplinary process.

C. INVESTIGATION AND NOTICE TO STUDENT

Upon receiving the complaint of the alleged violation(s), the Musicians Institute Designee (School Designee), may consider information acquired from a complainant and may augment that information through further investigation in order to determine if there is a reasonable suspicion to believe that a violation may have occurred. If the School Designee determines that there is a reasonable suspicion to believe that a violation may have occurred, the School Designee will give notice to the student of the following:

1. the nature of the conduct in question, including a brief statement of the factual basis of the charges; the time, date, and place it is alleged to have occurred; and Musicians Institute rules and/or regulations allegedly violated;
2. the nature of the student conduct procedures (to be accomplished by providing the student access to the Musicians Institute Student Conduct Code);
3. that the student has seven days from the date notice was given to contact the School Designee for the purpose of scheduling an initial meeting. Meetings are to be scheduled within ten days of the student contacting the School Designee. This schedule may be amended as a result of school breaks, closures, and holidays
4. that if the student does not contact the School Designee within the seven-day period or fails to keep any scheduled appointment, the student will be placed on Hold and the student will be notified that this action has been taken. The placement of a Hold may result in suspension of access to school functions or facilities, prevention of the student from registering and from obtaining transcripts, verifications, certificates or degrees from Musicians Institute. The Hold will be removed only when the student either attends a scheduled meeting with the School Designee, or requests in writing that the case be referred to the Student Conduct Committee for a hearing; and
5. that no degree may be conferred on a student until any pending disciplinary charges against a student are fully resolved.

In addition, the School Designee may direct the student to act or refrain from acting in a manner specified by the School Designee. These directions may include directing the student not to intentionally contact, telephone, or otherwise disturb the peace of others specifically named for a specified period of time. Violation of these directions is separate misconduct (Failure to Comply).

D. MEETING(S) WITH THE SCHOOL DESIGNEE ASSIGNED TO THE CASE

At the initial meeting with the student, the School Designee assigned to the case will:

1. ensure that the student has been provided information on how to access the Musicians Institute Student Conduct Code;
2. discuss confidentiality; inform the student that the content of this and all subsequent communication with the School Designee regarding information not relevant to the case will, insofar as allowed by law, be treated
 - a. confidentially, unless such confidentiality is waived by the student; and that information relevant to the case may be divulged to those who have a legitimate educational interest, including but not limited to the Student Conduct Committee;
3. provide the student with an opportunity to inspect all documents relevant to the case which are

- in the possession of the school at the time of the meeting, at the student's request;
4. describe to the student as completely as possible the nature of the conduct in question, and the Musicians Institute rules and/or regulation(s) allegedly violated, hear the student's defense to such charges, and counsel the student as appropriate; and
 5. provide the student with copies of the documents relevant to the case, at the student's request. Should the case be referred to the Student Conduct Committee, the School Designee will provide the student with copies of all documents relevant to the case which are in the possession of the Student Conduct Committee at the time the case is referred. Relevant documents received thereafter will be shared with the student.

Although meeting with the School Designee provides the student with an opportunity to resolve the case without a hearing before the Student Conduct Committee, the student may opt to forgo a meeting with the School Designee by requesting, in writing, that the case be forwarded to the Student Conduct Committee for a hearing as defined below.

E. DISPOSITION BY THE SCHOOL DESIGNEE

After conducting any further necessary investigation, the School Designee assigned to the case may take one of several actions listed below. Regardless of the action taken, the School Designee will confirm his or her disposition of the case in a notice to the student within seven days of the action.

Additionally, the results of any disciplinary action or Agreement of Resolution by Musicians Institute regarding an allegation of sexual harassment, sexual assault, sexual misconduct, or other sex offenses will be disclosed to the alleged victim by the School Designee. The scope of information to be provided under this provision will be:

- the school's final determination with respect to the alleged sexual harassment, sexual assault, sexual misconduct or sex offense; and
- any sanction that is imposed against the alleged offender with respect to the alleged sexual assault, sexual misconduct or sex offense.

1. Imposing Sanctions

If the student does admit responsibility, and if the School Designee concludes that there is sufficient information to sustain a finding of responsibility, the School Designee may impose or defer one or more of the sanctions listed herein.

2. Referral to the Student Conduct Committee

If the student does not admit responsibility, and if the School Designee concludes that an Agreement of Resolution (see below) is not appropriate, and that there is sufficient information to sustain a finding that it is more likely than not that the student has violated the Musicians Institute Student Conduct Code, the School Designee will refer the case to the Student Conduct Committee for a hearing.

At any time until the Student Conduct Committee recorder makes report of the hearing decision, the student may make an admission of responsibility to the School Designee assigned to the case. The School Designee may then impose or defer one or more of the sanctions listed herein. This disposition is binding and terminates all Student Conduct Committee proceedings.

3. Insufficient Evidence

If the School Designee concludes that there is insufficient information to find the student

responsible, the case will not be referred to the Student Conduct Committee for a hearing.

4 Agreement of Resolution

When the School Designee and the student agree that the above dispositions are not appropriate, an Agreement of Resolution may be used to conclude the matter. This Resolution, while not considered to be a finding of responsibility, is binding. If the student fails to abide by the terms of the Agreement of Resolution, that failure may be regarded as actionable misconduct and may subject the student to disciplinary action by the school.

An Agreement of Resolution may include-- but is not limited to-- such terms as:

- agreement by the student to refrain from specific behaviors, and/or to refrain from contacting others involved in the case;
- agreement by the student to participate in specified educational programs, counseling and/or reconciliation processes such as mediation;

The Agreement of Resolution will be retained in the case file in the Office of Registrar Records for seven years from the date of the Agreement. During that time, should the school have a reasonable basis to believe that the student has engaged in misconduct related in nature to the conduct which occasioned the agreement, both cases may be the subject of Musicians Institute disciplinary action.

In such case, the record of the hearing may be used only in connection with legal proceedings.

Removal of a Service Animal or Support Animal

MI may request the removal of a Service Animal or Support Animal for the following reasons:

If the animal is out of control and the handler does not take effective action to control the animal.

If the animal is not house-trained.

If the animal poses a substantial and direct threat to the health and safety of others, and the threat cannot be eliminated by a reasonable accommodation.

If the animal would cause substantial physical damage to the property of others, which cannot be reduced or eliminated by a reasonable accommodation.

If the handler provides information that indicates that animal is not actually a Service Animal or a Support Animal, unless animals are otherwise allowed in the area.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) is a federal privacy law that gives post-secondary students certain protections with regard to their academic records. Academic records include but are not limited to attendance, financial aid, school account information, tax information, report cards, transcripts, disciplinary records, contact and family information, class schedules, charges, payments, and account balances. In general, schools may disclose "directory information" to qualified individuals and/or organizations without prior consent of the student. "Directory information" is defined as a student's name, photograph, date and place of birth, major field of study, grade level, and participation in officially recognized activities and sports, electronic mail address, degrees, honors and awards received, and dates of attendance. However, schools must tell students about directory information and allow them a reasonable amount of time to request that the school not give out their directory information. To opt out, students must complete the Directory Opt Out form and submit it to the Registrar's Office no later than Friday, Week 2 of the quarter in which they are enrolled.

FERPA-protected records are accessible only by those individuals to whom the student grants permission. Students may grant permission to access FERPA-protected records to individuals such as a parent, aunt, uncle, sibling, grandparent, spouse/partner, etc., by indicating the individual(s) name(s) and relationship to student below. Under FERPA regulations, Musicians Institute is permitted to discuss information contained in and pertaining to academic records with eligible parents of dependent

students without prior consent of the student.

NOTIFICATION OF STUDENT RIGHTS UNDER FERPA FOR MUSICIANS INSTITUTE

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records.

These rights include:

1. The right to inspect and review the student's education records within 45 days of the day that Musicians Institute receives a request for access. A student who wishes to ask Musicians Institute to amend a record should write the Registrar and clearly identify the part of the record the student wants changed and specify why it should be changed. If Musicians Institute decides not to amend the record as requested, the student will be notified in writing of the decision as well as the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to request, in writing Musicians Institute not disclose personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent. COPYRIGHT INFRINGEMENT POLICY

INTRODUCTION

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code).

These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

The Higher Education Opportunity Act of 2008 (HEOA) includes provisions that are designed to reduce the illegal uploading and downloading of copyrighted material through peer-to-peer (P2P) file sharing. These provisions include requirements that:

- institutions certify to the Secretary of Education that they have developed plans to “effectively combat” the unauthorized distribution of copyrighted material;
- institutions make an annual disclosure that informs students that the illegal distribution of copyrighted materials may subject them to criminal and civil penalties and describes the steps that institutions will take to detect and punish illegal distribution of copyrighted materials;
- institutions publicize alternatives to illegal file sharing

This document outlines Musician Institute’s plan to comply with these requirements.

PLANS TO “EFFECTIVELY COMBAT” THE UNAUTHORIZED DISTRIBUTION OF COPYRIGHTED MATERIAL

Musicians Institute currently employs bandwidth-shaping technology to prioritize network traffic, and blocks students’ ability to access these sites from the student computer networks. Musicians Institute responds promptly to legitimate notices or letters of illegal copyright infringement based on the requirements of the Digital Millennium Copyright Act and directs both our Information Technology and Compliance departments to investigate and respond.

SANCTIONS

Musician Institute will cooperate fully with any investigation by public authorities related to illegally downloaded copyrighted information. Students found guilty will be subject to the full extent of fines and penalties imposed, as well as facing automatic loss of Musician Institute network access, and possible suspension.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For “willful” infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorney fees. For details, see Title 17, United States Code, Sections 504, 505

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense. For more information, please see the website of the U S Copyright Office at www.copyright.gov, especially their FAQs at www.copyright.gov/help/faq.

MAINTENANCE OF THIS PLAN

Musician Institute will review this plan each year to insure it is current and maintains the appropriate and necessary information to effectively combat illegal file sharing, as well as update the methods employed as new technological deterrents become available.

GENERAL SERVICES

MI Direct Housing & Referral Services:

APARTMENT VACANCY LISTING SERVICE

Apartment listings are updated weekly in the Admissions office. They include areas within a two mile radius from school as well as the San Fernando Valley near metro stations. Rental prices from these listings average from \$700.00 to \$2,100.00 per month. Special considerations, such as number of bedrooms, proximity to public transportation or public services, freeway access, onsite laundry facilities or pet policies are included in these listings. That gives you a wide range of opportunity in searching for a place to live.

ROOMMATE REFERRAL SERVICE

This is your first step in networking at Musicians Institute. If you are looking to connect with one of your fellow students and share an apartment, this list contains your potential roommate's name, place of residence, arrival date, phone number, email address and personal preferences. By filling out our Roommate Questionnaire, you too can be added to the Roommate Referral list which is available exclusively for incoming MI students, current MI students, and MI alumni in good standing. This list is sent to you by e-mail and Musicians Institute is bound to protect the privacy of the students contained in this list. No information from the Roommate Referral list will be shared with any individuals or organizations without expressed written consent. Please report any changes or discrepancies to MI Housing Department immediately.

TRANSPORTATION

We can provide the application and required enrollment verification letter for the Metro Reduced Fare Monthly Pass, which allows students unlimited rides on Metro busses and trains for the entire month. We keep routes/schedules for all Metro Rail lines and multiple Metro Bus lines in the SA office. We can

also provide students who commute via Metrolink commuter trains with additional information on obtaining discounted student tickets and transferring to Metro Rail lines. For students commuting by car, we provide a map of local parking lots and daily parking rates as well as information on lots offering discounted monthly parking passes. Please stop by the Student Affairs Office for more details.

HEALTH INSURANCE

MI recommends that you maintain your own health insurance coverage, though we understand that it is not always a possibility (Note: non-US citizens are required by law to obtain health insurance prior to enrolling in school. Please see the International Student Affairs Office for further information). For students seeking health insurance coverage, we suggest researching policies online through a website like ehealthinsurance.com. For students without health insurance, we can refer you to area medical clinics and state- and county-funded facilities for low-cost and/or no-cost medical treatment.

PERSONAL COUNSELING

Our staff counselor is available weekly, free of charge, for half-hour and hour-long sessions. Sessions can be reserved by appointment or on a walk-in basis. Please stop by the Student Affairs office if you have questions or want to schedule an appointment.

TUTORING

Students who would like additional academic assistance may submit a tutor request form to the Student Affairs Office. Tutor sessions are provided free of charge. Tutors will be assigned based on their availability, and the sessions are arranged around the tutor and student's schedules. Tutors and students will meet for a one-hour session, once a week for two weeks. Additional sessions may be requested after completing the second session. After the student confirms the tutor session, attendance is mandatory unless the student notifies the tutor coordinator in advance. Students who miss a tutor session without giving prior notification will be temporarily prohibited from requesting tutor sessions.

SHUTTLE SERVICE

MI offers nightly door-to-door shuttle service for the convenience and safety of our students. Shuttle operating hours are 5:00PM-2:30 AM (Monday-Friday) and 10:00PM-1:00AM (Saturday & Sunday). Please see the McCadden Place entrance security desk for more information on the shuttle service.

LOCKERS

Lockers are available on campus for student use. Stop by the Office of Student Affairs to review MI's Locker Policy and process. Locker sign-ups are from week 1 to week 5 of every quarter.

CLUBS AND ORGANIZATIONS

Musicians Institute encourages students to determine their role on campus. With a diverse student body, clubs and organizations are welcomed to organize. Clubs are allowed to host events on campus such as: concerts, lectures, clinics, cultural and social events.

To be recognized by MI, organizations need to follow the following steps:

1. Review the list of current organizations on the www.mi.edu website to ensure that your club/organization does not overlap with an already existing one.
2. Find at least six other individuals interested in joining your club/organization.
3. Find a faculty or staff member at MI to serve as your advisor.

4. Figure out a name that does NOT start with MI. For example, "MI Jazz Club" is not allowed, but "Jazz Club at MI" is okay. The name should reflect your purpose.
5. Fill out the following Application & Constitution form on MI.edu (<https://goo.gl/forms/8PY5Bux93S6kM1Pl2>)

The Student Affairs staff, along with everyone else at MI, is dedicated to providing you with a healthy, safe and productive experience while you're in school. Thousands of MI graduates all over the world look back on their time here as the best time of their lives, and we will do everything we can to make sure that's true for you, too. Good luck and have a great journey!

LIVE PERFORMANCE WORKSHOPS (LPW)

Note: The following information applies to on-campus programs. In the MI Online program, LPWs are structured as a normal weekly class. The MI Online LPWs are named with the suffix "ON" within the student schedule (i.e., CC-013G-ON.1 is the course code for the first quarter Guitar LPW course for the MI Online student). Please refer to the course syllabus for details.

OVERVIEW

MI's Live Performance Workshops (LPWs) are a unique offering. Unlike a traditional class, the LPW course does not appear on the student's schedule, as each student selects songs according to their own stylistic interests and scheduling availability. A variety of LPWs are offered weekly. Each student is responsible for fulfilling the minimum performance requirements by participating in LPWs throughout the quarter.

A minimum of ten LPW performance credits are required per quarter. In the event a student earns more than ten performance credits in a quarter, the ten highest grades are averaged for the final grade. There are no exams involved with LPWs.

Each time a student performs at an LPW, one LPW credit is earned. More than one credit can be earned in a single LPW class meeting, but no more than one credit may be earned per hour. For example, if a student plays the Modern Rock LPW at 3:20pm, 3:30pm, and 4:20pm, they would receive two LPW credits.

LPW classes are scheduled from week 1 through week 10. As week 11 is the final exam/testing week, there are no LPW classes during week 11. No LPW credits can be awarded during week 11.

SIGNUP PROCEDURE

Student sign-ups for LPWs are found on the mobile.mi.edu. Students are to log in with their username and password, then go to ALL LPW> WI2021 (or current quarter) LPW Sections. Students can browse through weeks, songs, hours and supplemental materials (charts, lyrics and music-minus-one tracks) depending on the offering. Students may sign up for available slots up to a week in advance.

FOR ON CAMPUS LPWs:

Students can also "walk-in" to an LPW without signing up in advance by attending the physical class. If there are available slots, the student can perform. Instructors of the LPW class can sign up "walk-in" students in order to award credit.

FOR ONLINE LPWs:

Students submit video links of their performance or perform “live” depending on the specific course offering. Students can also collaborate on their videos where each student performing will receive a credit.

CANCELLATION “No Show” OF LPW SIGN UPS:

Students may delete their LPW slot up to 12 hours in advance of the class start time in order to avoid penalty. LPW sign-ups cancelled within the 12 hours before the class will be marked as a “No Show.” If the student doesn’t show up to perform for their slot, that will also be marked as a “No Show”. Each “No Show” is 2 points off the student’s final course grade.

GETTING THE MOST OUT OF MI

Musicians Institute is a veritable gold mine of opportunity and information, and as it is with most things in life, there is a direct relationship between what you put into it and what you get out of it. We regard you as a mature individual who has shown the desire to make it as a creative professional, and we are prepared to equip you with the tools you need to accomplish your goals and show you how to get there as quickly and efficiently as possible.

RESPECT FOR OTHERS

Professional success comes from a combination of skills and attitude. The best opportunities almost always come about through personal contacts and recommendations, and you are establishing those contacts NOW. Your fellow students, teachers and staff are your peer group—professional musicians with whom you are associating with every day and who will influence your career for years to come. Make sure that your conduct speaks well of you. Treat everyone as you would like to be treated.

RESPECT FOR YOURSELF

Maintain a healthy diet, exercise, and take time to enjoy a social life. Drug and alcohol abuse have ruined many promising careers and have no place in your development as a serious professional. Set reasonable goals for yourself. Organize and manage your time and materials. Don't leave your instruments or valuables lying around the campus. Use and follow your own good common sense.

ARTIST & CAREER SERVICES

MISSION STATEMENT

Artist & Career Services (ACS) is an extensive resource center designed to engage students and alumni and offer them active professional & personal development to succeed in today's competitive entertainment industry.

CORE VALUES

- Networking
- Integrity
- Commitment

- Collaboration
- Development

With the proper tools and direction, ACS is committed to providing the proper tools and guidance to maximize student success during and after their academic career at Musicians Institute.

MI CONNECTS OVERVIEW

MI Connects is a proprietary service available to current MI alumni and students seeking: jobs, internships, EPK development, collaborations and gig opportunities. This in-house network is sustained by ACS's modern approach and partnership deals with a vast number of entertainment entities ranging, but not limited to: scouts, managers, producers, agents, labels, major artists and directors. These connections give MI students and alumni the competitive edge in addition to real-world application of their newly developed skills.

MI Connects: Jobs

Hundreds of new job opportunities are posted weekly for students and alumni to apply for with our partners. All posts are vetted and screened to ensure optimal choices no matter what skill level.

**MI offers no guarantee that professional employment will result from registering with the MI Connects or from enrolling in, attending, or completing any MI program. MI reserves the right to alter the features of or to interrupt or cancel operation of MI Connects at any time without prior notice.*

MI Connects: Gigs

Looking for a local gig? The Gig section assists artists by creating an online community for both professional and developing musicians. MI students/alumni can post or search through listings via filters to ensure they are presented with streamlined options.

MI Connects: Collaborations

Musicians Institute is not only a great place to improve your craft, it's also a place that gives students an opportunity to meet and work with fellow students outside of their field of study, with MI Collaborations. We encourage students to reach out to their peers, whether forming a band, needing a bass player or needing music business advice. Collaboration is important when networking and moving forward with your own personal goals.

MI Connects: Marketplace

Buy, sell, trade unwanted items and musical gear with fellow students and alumni.

MI Connects: MI Calendar

Keep up with the events happening on campus such as clinics, presentations, student events, and campus opportunities.

MI Connects: My Digital EPK (Electronic Press Kit)

An electronic press kit (EPK) is a professional music resume that music entities (promoters, talent buyers, music supervisors, etc.) use to understand who you are as an artist. This kit takes the form of a website and include things such as news, pictures, bios, live performances, music and tour dates. Developing the flawless EPK is critical to your success in making connections and scoring gigs. MI Connects assists by having a one stop shop approach as an EPK can be built directly in the system with steps to ensure a complete EPK is available for promotion.

WORKSHOPS

A variety of career and industry related workshops are hosted by ACS year-round to maximize student experience and knowledge in the current entertainment industry. Event topics can vary quarter to quarter due to the availability of working professionals in the industry. Students and alumni are highly encouraged to participate to enhance their professional development and network with their peers.

Résumé, Cover Letter, EPK and Mock Interview Services

ACS staff is available to assist in the review and development of students and alumni: résumés/cover letters, EPKs, interview skills, and any promotional material. Stop by ACS to make an appointment or schedule an appointment via the available links in MI connects.

ACS business hours are Monday through Friday (excluding holidays), 9am-5:30pm.

AUDITION WORKSHOPS/MOCK AUDITIONS

Audition workshops & mock auditions are designed to introduce and develop the fundamental skills needed to have a successful audition in a professional setting. Students begin their journey with audition workshops where they learn the basics and etiquette of auditioning. Once they have mastered the audition workshop, they advance to mock auditions where they perform and are critiqued by MI's A&R professionals.

HEADSHOTS

Having professional promotional material alongside talent is crucial in today's entertainment industry. ACS offers graduating students the opportunity to schedule a photo shoot slot with MI's professional photography team. Students will receive raw (untouched) images after their scheduled appointment. Turn-around time averages one week for the edited photos. In addition, students have the opportunity to use the services of a professional makeup artist prior to going in front of the camera. These photo shoots happen weeks 10 and 11 (days vary depending on student reservations).

CAREER/INDUSTRY MENTORING (MOBILE.MI.EDU)

Students and alumni have the opportunity to meet one-on-one with ACS staff for feedback and anything dealing with career guidance. In addition, they can meet successful industry-working mentors to receive personalized career advice on their progress and current projects outside of the ACS support staff. ACS strives to keep a diverse mentor list based on the mentor's: specialized field, musical genre and availability.

INTERNSHIPS

The ACS Internship Program provides MI students with real-world experience in the music industry through internships in music-related companies. Students in the Music Business Program are required to complete an internship, while Common Course and Audio Engineering majors are able to sign up to be interviewed and considered for the elective program. Remember that while you are using the library to respect the space and the other users so that everyone gets the most from their experience. Please be advised that food and drink are not permitted in the library and that noise levels should be kept at an appropriate level--taking other students into consideration.

The institution holds or otherwise provides long-term access to sufficient information and learning resources to support its purposes and all of its educational programs. To supplement resources beyond the core library of the institution, there may be specific long term written arrangements for student access to off-campus or electronic resources. Programs are in place to train students in the use of library and other information resources, and to develop information literacy skills. The institution must demonstrate that library and learning resource use is a fundamental part of all its curricula, and that the faculty is involved in ensuring such use.

Musicians Institute Library Mission Statement

The Musicians Institute Library strives to support the comprehensive, innovative, and unique educational and research goals of the Musicians Institute College of Contemporary Music through the providing of resources, information, and services essential to students, faculty, and staff. These services include reference, instruction, and the acquisition and provision of online and in-house materials both scholarly and supplemental in an effort to aid in student academic success.

Musicians Institute Library Goals

Provide exceptional, timely, and accurate point of contact circulation and reference services while assisting the Musicians Institute students, faculty, and staff with scholarly and supplemental remote research via online databases and archives, interlibrary loan, and also through the physical locating, borrowing, requesting and returning of materials.

Facilitate a space offering the forefront of available technologies through which students of the Musicians Institute may achieve academic success offering an inviting space for research and the

sharpening of skill within their discipline by means of a pristine modern environment that fosters creativity and is conducive to study

Ensure preservation of the Musicians Institute intellectual assets or trade secrets providing students and faculty with recorded live performance workshops, concerts, and clinics online and maintaining a digital library containing expansive MI content with enduring value.

Offer individual and course instruction on effective research and information retrieval online, remotely, and in multiple formats. Work with faculty to provide and deliver effective, contemporary, course related materials. Develop and maintain the continuously evolving Musicians Institute Library collections with an eye toward the future.

Maintain a friendly, helpful point of contact for all Musicians Institute faculty, students, and staff while serving as a link between students, faculty, and various campus entities. Offer continuing education opportunities for those employed with the library in an effort to continue along the lines of the college's pioneering, entrepreneurial, and industry relevant spirit.

Information and Learning Resources: In addition to the aforementioned the Musicians Institute Library continues to strive to keep up with the College's new course offerings within the current certificate through master level programs. The library has spent the last year collaborating with faculty on collection development for the new master's degree program beginning in 2019. We continue to collaborate with faculty on collection development for all programs on a quarterly basis.

Profile of Holdings and Resources: The MI Library's collections are offered in a wide variety of formats. Currently there are over 1,000 scores, 1,500 books, over 1,100 DVDs, and 3,400 CDs; searchable on or off campus within the Online Patron Access Catalog (OPAC). When available books, recordings, and videos are purchased as e-books and within e-resources; searchable within the library's Discovery System remotely or on campus. The library is working on expanding its print collection and in an effort to accommodate the expansion the library's CDs have been packed up, labeled, and relocated to easily accessible shelves next door, which require approximately 5-10 minutes to retrieve; making them equally accessible to all those who utilize the library. Interlibrary loan is offered to library users if purchasing the requested materials is not an option.

The library's e-resources are continually evaluated and expanded. MI students have access to the library's online resources through the library's website <http://library.mi.edu>. They include JSTOR Music, Oxford Grove Music Online, Oxford Grove Dictionary of American Music 2nd Ed, Overdrive (eBooks and MP3s on the subject of music), Pollstar Pro (Music Business related), and Non-Linear Educating (Music and technology related course tutorials). In addition to e-resources the library offers digitally streamed clinics and master classes dating from 1977 until present.

The Musicians Institute Library and the MI Marketing Department jointly oversee the digitally streamed Clinics and Master Classes dating from 1977-present. The goal of our partnership is to ensure the preservation of the content while providing access to students and faculty for educational purposes; maintaining a digital library containing expansive MI content with enduring value.

Description of Information Literacy Expectations for Institutional and External Library Computing Facilities: The Musicians Institute Library abides by the regularly updated Association of College and Research Libraries [Framework for Information Literacy for Higher Education](#). Programs are in place to

train students in the use of library and other information resources, and to develop information literacy skills. These programs include a research as inquiry library orientation at the beginning of the quarter for all new students, which also touches on off campus access and how to log into databases. The third week of classes invites all students to attend a student appreciation day, which includes library resources searching as strategic exploration. We also stop into individual classes to assist with research projects and relay the gravitas of authority construction, context, and the creator's expertise and credibility.

Curricula and Faculty Involvement in Collection Development: Collaboration with faculty on a quarterly basis and throughout the quarter assists the library in building collections within each subject. Through quarterly faculty meetings, informal meetings, and email we're able to facilitate feedback regarding the library's collections, services, and facilities. Through orientations, collaborative events with MI Marketing, and information literacy outreach and instruction students are encouraged to directly contact the library with collection development requests and requests for specific materials.

Descriptions of Computing Facilities and Usage: The Musicians Institute Library offers 85 Macintosh Desktop Computer stations and 25 practice stations totaling 110 stations for study and practice. 40 of the desktop computers offer audio interfaces, so that students may plug in their instrument to practice. The 25 practice stations offer multi-effects units for students to plug into to practice, and 45 computers offer a quieter research and study space. Each computer offers an internet connection with web browsers opening to the MI Library's website of <http://library.mi.edu> Software on the 85 Macintosh Computers in support of music, academics, and the school's curriculum includes Sibelius music notation software, Reason and Logic digital audio workstations, Microsoft Suite, Photoshop for media and design, and much more.

During high volume use such as study for midterms and finals throughout the fall quarter the computers are 90% full. During low volume periods outside of the fall quarter and study for testing the computers are 40-60% full.

In addition to the library's computers there are also several computer labs on campus available to students for use 24-7 outside of classes taking place in the labs.

Please talk to the circulation desk for information about printing at the Library.

Plan for Library and Computer Development: The Musicians Institute Library is in the process of building its print collection, which is currently between 7,000 and 8,000 cataloged materials. We will continue to catalog approximately 1500 materials per year, which would double our collection in five years. All of the library's print materials are searchable in both the [online catalog](#) and [discovery system](#). Through the library's discovery system students may search all of the MI Library's scores, books, CDs, DVDs and online databases at once simultaneously.

We're also working on recataloging our clinics, master classes, and student live performance workshop video dating back to 1977 to stream sound and video on and off campus through LDAP authentication through our [Avalon](#) system. They're currently cataloged within an on-campus system only.

Within the next five years we will continue to evaluate our online catalog to see if there is a catalog more suitable to our goals as we grow as an institution. We will also look into additional shelving and shelving locations as we continue to grow our physical collection. Should loss become an issue with a

larger physical collection we will research the possibility of the RFID tagging of our collection.

Location: The Musicians Institute Library's Campus Hollywood location is within the Main Building of Musicians Institute on the second floor surrounded by performance rooms. The library's collections include scores, books, recordings, videos, and periodicals; as well as a comprehensive range of e-resources and digital resources. The MI Library serves the students, faculty, and staff of the Musicians Institute and the Guitar Craft Academy Nashville, as well as the broader community; visiting researchers and scholars.

Governance and Administration: The Director of Library Services, MLS, provides direction and leadership for the library's collections, services, personnel, and facilities. Reporting to the Dean of Industry within the Office of Academic Affairs, the Director engages the MI community through outreach efforts, strengthening the collection, classroom instruction, and research assistance. The Director of Library Services meets with the Director's team once per week, each Monday, to better involve the library in the school's overall strategic planning.

Personnel: The Director of Library Services is an administrative position reporting to the Dean of Industry / Chair of Audio Engineering within the Office of Academic Affairs. The Director of Library Services is responsible for developing and maintaining music collections in a variety of formats. The position directly manages a student staff of approximately twenty in addition to one full-time staff member and two part time staff members administering the library's facilities. The Director provides research assistance and classroom instruction.

The Director of Library Services position requires an American Library Association (ALA) accredited Master of Library Science degree and a music background. A second graduate degree in music is preferred. Extensive experience in library management is required of the Director.

The regular and student staff positions include assisting with the following responsibilities: staffing the circulation / reference desk, cataloging within a MARC record format, CSS based website and calendar updates, library subject guide creation, collection development, weeding, tracking budget funds, accounting, equipment maintenance, outreach, and scanning MI historic photos to Library of Congress standards and cataloging them within a Dublin Core record format. Student staff receive monthly, weekly, and daily training and educational sessions. Staff members attend and present at national and international music library association conferences such as MLA and IAML. Students and staff also attend American Library Association, Association of College and Research Libraries, database, catalog trainings and educational sessions. The library staff operate in a collaborative team environment in which all members contribute to projects, assist faculty, staff, and students, and ensure smooth operations.

Services: The Musicians Institute Library is open approximately 100 hours per week each quarter closing for major holidays and the weekend prior to each quarter. Students, faculty, and staff have access to research assistance, reference, and general questions through in person consultations, email, telephone, text, and online chat. Course instruction on how to effectively utilize library resources and conduct research is taught by the Director of Library Services and is available to all administrators, faculty, staff, and students.

The library maintains print course reserves within regularly shelved materials in the library. The library works with faculty each quarter via email polling each faculty member to ensure our faculty course

reserves are up to date. There is also a form within the library website that faculty may fill out to request additional course reserves throughout the quarter. We're also looking into Avalon Media System in an effort to offer faculty robust course reserves, so that they may request a Clinic, Master Class, DVD, or CD be streamed with the ability to add a link to their LMS course.

The library offers access to other libraries and collections through OCLC's Inter-library loan service. Faculty, staff, and students may make inter-library loan requests in person, chat, text, email, phone or via OCLC Discovery Platform, or online form outside of the library's 100 hours of operation per week.

Facilities: The Musicians Institute Library offers students 85 Macintosh Computers equipped with audio interfaces, music notation software, and various digital audio workstations such as Logic and Reason. Also available to students are twenty-five Boss Jam stations for the purpose of practicing the study of music. Within the last decade the library space was dramatically reconfigured from thirteen student computers to one hundred and ten practice and workstations to ensure student success. Guitars, basses, various equipment, headphones, adaptors, and cables are available for student check out to plug into the library's audio interfaces or for practice throughout dozens of practice rooms surrounding the library.
