NOTE: Music Business, Audio Engineering, MI Select Common Course, or Bachelor Degree applicants DO NOT need to submit the recordings described below.

MI Programs are fast-paced, and certain fundamental musical skills are required before you can begin your program. If you meet entry requirements and are accepted, a one-on-one performance evaluation and placement test will be held during registration to determine whether you qualify for advanced placement in any area of course work. Students are evaluated based on the content of their submission. The sound quality of your recording is not a factor (Recordings will not be returned). Above all: HAVE FUN!

Questions? Contact Admissions 800.255.7529 or 323.462.1384

GUITAR AND BASS

Record A. and B. along with a clearly audible metronome, “click track”, or drum machine.

- Play two scales and two arpeggios of your choice at any tempo with accurate execution and consistent time.
- Play 60 seconds of rhythm groove in any style and tempo.
- Submit two performances that best represent your style and abilities. The recordings may be solo or may include other musicians or play-along tracks. You may submit previously-recorded material that features your playing. Original material or covers.
- Speaking Voice: Record your own speaking voice with a short narrative explaining why you wish to attend Musicians Institute.

KEYBOARD TECHNOLOGY

Record A. and B. along with a clearly audible metronome, “click track”, or drum machine.

- A. Play two scales and two arpeggios of your choice in three octaves using both hands, with accurate execution and consistent time.*
- B. Play 60 seconds of a rhythm groove in any style and tempo.
- C. Submit two performances that best represent your style and abilities. The recording may be solo or may include other musicians or play-along tracks. You may submit previously-recorded material that features your playing. Original material or covers.
- D. Speaking Voice: Record your own speaking voice with a short narrative explaining why you wish to attend Musicians Institute.

** If you have not received formal keyboard training, please play an example of what you would play for personal enjoyment when sitting at a piano. No sequencing or programming please.*

DRUMS

Record A. and B. along with a clearly audible metronome or drum machine (your playing must be distinct from the accompaniment).

- A. Play two of the following rudiments at any tempo with consistent execution: Paradiddle, Double-Stroke Roll, Five-Stroke Roll, Six-Stroke Roll, Flam Taps, Four-Stroke Ruff.
- B. Play 60 seconds of a syncopated rhythm groove with fills in any style and any tempo (NOT a solo).
- C. Submit two performances that best represent your style and abilities. The recording may be solo or may include other musicians or play-along tracks. You may submit previously-recorded material that features your playing. Original material or covers.
- D. Speaking Voice: Record your own speaking voice with a short narrative explaining why you wish to attend Musicians Institute.

VOCALS

- A. Match Pitch: Play a note on an instrument, let the note stop ringing, and then sing the same pitch. Repeat this with ten randomly-chosen notes. (Please DO NOT sing “on top of” the notes played, only after them).
- B. Song with Accompaniment: Sing one song with accompaniment (instrument or backing track). The vocal melody must cover a range of at least one half-octave. You may submit previously recorded material, but using Autotune or an equivalent on your voice is not permitted. Original material or covers.
- C. Song without Accompaniment: Sing one song without accompaniment (“a cappella”-this should not be the soloed vocal track from the song with accompaniment from Section B; it should be a different song). At least one of the two songs in categories B and C must be performed in English.
- D. Speaking Voice: Record your own speaking voice with a short narrative in English explaining why you wish to attend Musicians Institute.

SAXOPHONE, TROMBONE & TRUMPET

Record A. and B. along with a clearly audible metronome, “click track,” or drum machine.

A. Play the chromatic scale at any tempo with accurate execution and consistent time.

Saxophone: From Low Bb to high F

Trumpet: From low F# to highest comfortable note

Trombone: From low E below the staff to high Bb

INDEPENDENT ARTIST

DJ PERFORMANCE & PRODUCTION

A. Submit two examples of your original material or arrangements (voice or instrumental, any style) representing your strengths and creative direction as an artist or producer.

B. Speaking Voice: Record your own speaking voice explaining the following:

1. Why you want to attend Musicians Institute.

2. What your role was in the recorded examples you have submitted, including what instruments you played (if applicable) and who wrote, produced and engineered each song.

CERTIFICATE IN SONGWRITING

A. Submit two performed pieces that best represent your style and abilities on your instrument or voice. You may sing or play to backing tracks.

B. Speaking Voice: Record your own speaking voice with a short narrative explaining why you wish to attend Musicians Institute.

I SENT IN MY COMPLETED APPLICATION! NOW WHAT?

APPLICATION REVIEW AND NOTIFICATION

MI class sizes are limited and placement priority is given to students in order of acceptance. Fully completed applications are reviewed for acceptance on an ongoing basis. Accepted applicants will be notified by mail and/or telephone. Applicants who are not accepted will be notified by mail.

COMPLETE YOUR FINANCIAL AID APPLICATION (IF APPLICABLE)

Please note that your FAFSA will only be reviewed after you submit an application for admission to Musicians Institute. Once you submit a FAFSA, you will be contacted by a Financial Aid Administrator (FAA) with further instructions.

REGISTRATION

Students are expected to arrive for registration and orientation during a 4 week period prior to the start of classes.

Applicants may register up until the second week of classes only with permission from the program director.

Students who need housing/roommate assistance should arrive at least four weeks prior to the start of classes. Daily housing meetings and new student tours will take place during registration week.

PLACEMENT EVALUATION

If you are admitted to Musicians Institute, you will be given a placement evaluation that will measure your current level of knowledge and experience in several fundamental musical areas. Placement evaluations take place during registration week and you will not be scheduled for classes until your evaluation is complete. In some cases, a student may be recommended for advanced placement in courses in which he or she may already be proficient. Does not apply to Associate of Science Degree.

NEW STUDENT ORIENTATION

Orientation will be held on the Thursday prior to the start of classes. During this time, you will learn about school policy and procedures, Student Affairs, LPW sign-ups and other school-related topics.

*With the resources in this guide, you'll have everything you need to get prepared to apply to MI!
You've taken the first step, and we hope to hear from you soon.*
